

**Lifeguard - Williams Natatorium**

The Natatorium lifeguard is responsible for ensuring members and guests a safe and positive recreational experience, while upholding the two primary responsibilities - preventing accidents and responding to emergencies. Other duties include: Keep the pool, pool area, locker rooms, and office clean and neat at all times; be knowledgeable of the pool rules and enforce them tactfully; attend all in-service training programs; be knowledgeable about the emergency action plan, pool facilities, equipment, hours of operation, and pool events; other duties as assigned. Current lifeguard training certification, current community CPR certification, and current standard first aid certification are required.
